

**Hello Folks, I hope you are doing well.**

**About the Internship:** This is a Remote Graphic Design Internship for those who are Willing to Learn Graphic Design and are seeking a Career in the same field. If only money is Your Priority, then this internship is not for you.

**Daily Responsibilities:** We are Noida based startup so sometimes we do have many tasks to complete or sometimes we are chilling on sofas, so Don't worry about your responsibilities, they are less and according to an Intern.

**Stipend:** We do have 3-months and 5-months internships available, for a 3-month internship we provide **3000INR** after the completion of the internship after 3 months, according to your performance, we'll decide on a decent amount for your stipend, and will offer you 2 more month internship. It's up to you if you are willing to accept it or not.

*After the completion of 5 months of internship and if your performance would be up to mark, we can offer you a full-time job ( Remote for some time ).*

**Benefits:**

1. Flexible timing.
2. 6 hours of working during the internship
3. Full creative Freedom
4. Netflix shared account
5. Udemy account (Limited courses)
6. A lot of Learning
7. Certificate
8. Recommendation letter

***If you are willing to work with us, Please complete the given assignment below and submit it to Whatsapp at +919717097926 or mail it to [career@sixcubicals.com](mailto:career@sixcubicals.com).***

## **Assignment**

Create a Social media post for our Brand. This should not be something usual that can be seen on the internet, Post should be something different, explaining our work. Keep post-minimalist. Think Different (Please), Be inspired but do not try to copy, Because we are also designers and we know the places from where you can copy.

**Who we are:** Noida-based Design Agency, We are more focused on Creativity rather than anything else, Please check our previous work on the website ( <https://sixcubicals.com/> ) for reference.

**Deadline: 02 October 2022**
